Re: Proposed amendments to Chapter 14, Land Use Ordinance

**Expand the I-B Business Zone**

The proposal would change the zoning of a 4.15-acre parcel within the Conservation Area identified as the excluded property from R-OS Recreation and Open Space to I-B Island Business Zone.

**====>Discussion: 00:45:00 to 00:49:15 and 1:09:20 to 1:10:20**

**Delete the \$1000 fee for proposing a zoning change**

The proposed amendment would strike all of the text in Article 9 which requires a \$1000 application fee for requesting zoning changes. This is redundant since this fee is specified in Article 8. The existing Article 9 would be marked as 'Reserved'.

**====>Discussion: 00:27:25 to 00:30:00**

**Cluster Development**

The proposal would make several changes to the cluster development authority passed at last year's Town Meeting.

**====>Discussion: 00:30:12 to 00:44:55**

**Driveway Standards**

The proposal revises the design and construction standards for driveways required for building permits.  
Frontage

The proposal would expand the definition of street to include both public and private ways. **====>Secretary's Note: This definition is referred to as the "Frontage" proposed ordinance change**

**====>Discussion: 00:49:14 to 00:52:50 and 00:58:00 to 1:09:20 and 00:52:55 to 00:58:00**
